

Invoice Processing Policy

Approval Thresholds:

- Invoices under £10,000 are auto approved and processed immediately
- Invoices between £10,000 and £50,000 require manager approval
- Invoices between £50,000 and £100,000 require CFO approval
- Invoices above £100,000 require board approval

Payment Terms:

- Standard payment terms are 30 days from invoice date
- Early payment discount of 2% available if paid within 10 days
- Late payment incurs 1.5% monthly interest charge
- Disputed invoices must be flagged within 5 days of receipt

Vendor Requirements:

- All new vendors must be approved by procurement team
- Vendor bank details changes require written CFO authorization
- Preferred vendors list is reviewed every quarter
- Blacklisted vendors must be escalated immediately

Invoice Validation:

- Invoice must contain vendor name, address and VAT number
- PO number must match company purchase order
- Duplicate invoices must be flagged and escalated
- Foreign currency invoices need finance team approval
